

For Healing Hands

Virginia Fay Cornish

**For healing hands,
For eyes that see a need;
For hearts of faith
That follow your sure lead;
For winged feet -
To travel far and near;
For thoughts and prayers
That find you ever here;**

**For service free
Interpreting your will;
For daring deeds
That human hopes fulfil;
For souls aflame
To beautify for thee -
We thank you Christ,
And pray unceasingly!**
