

# O Jesus, Sorrowing for Your Own

Meditation on the Crucifixion

Virginia Fay Cornish

**O Jesus, sorrowing for your own;  
O Lord, seeing within:  
How could you love when you have known  
The depths of human sin?**

**By grieving, suffering, giving there  
You took this awful part.  
O Saviour, search, renew, repair  
Your servant's wicked heart!**
